Sajina Dangol (Maharjan)

Dallu, Chagal, Ward No. 15, Kathmandu, Nepal

9849578188/sajina.dongol@gmail.com

Objectives

Hands-on experience in handling technical QA process, developing software testing procedures and implementation of test cycles. Familiar reading reviews and complaints from customer in order to completely sweep a piece and find every bug. Prioritizes analytical skills to perform duties as thoroughly and successfully as possible. One of my objectives is to further my expertise in the field of quality assurance engineering, and I am confident I can do this best if I will be a part of a competent and innovative environment.

Experience

Quality Assurance

Omnicom Media Group Nepal

December 2019 – Present

- Review requirements, specifications and technical design documents to provide timely and meaningful feedback
- Estimate, prioritize, plan and coordinate testing activities
- Design, develop and execute automation scripts using open source tools
- Identify, record, document thoroughly and track bugs
- Perform thorough regression testing when bugs are resolved
- Develop and apply testing processes for new and existing products to meet client needs
- Liaise with internal teams (e.g. developers and product managers) to identify system requirements
- Monitor debugging process results
- Investigate the causes of non-conforming software and train users to implement solutions
- Track quality assurance metrics, like defect densities and open defect counts
- Stay up-to-date with new testing tools and test strategies

Quality Assurance

Exolutus Pvt. Ltd, Hattisaar

January 2018 -November 2019

- Developing test plans and evaluating functional specifications of software products

- Designing test cases and strategies by gathering and reviewing business requirements

- Conducting functional, load, and regression testing for successful implementation of QA process

- Tracking and reporting bugs by utilizing standard defect tracking system

- Developing procedures for improving and standardizing QA methodology and processes

- Providing directions in peer review to ensure that the product deliverables meet the deadlines

Quality Assurance

IT Nepal Pvt. Ltd, Jawalakhel

April 2016 – December 2017

- Developed QA process by using test management tools and techniques

- Conducted tests and prepared reports for future reference

- Created bug reports by coordinating with software testers and developers

- Supported Senior QA analyst manual tester in the development and execution of QA continuous process

- Performed first level system testing by coordinating with QA team and business analyst

- Handled responsibilities of load and regression testing to ensure efficiency in product delivery

Education

MA MCJ, Kantipur City College, Putalisadak

Running

BCA, College of Information Technology and Engineering, Tinkune

2012-2017

+2, United Academy, Kumaripati

2010-2012

SLC, Holy Vision International School

2010

Skills & Abilities

Technical Skills

QA Tools: Jmeter, Katalon Studio, JIRA

Programming Languages: C#

IDE: Visual Studio

Database Tools: SQL Server 2017, SQL Compare

Web Application Development: Aptana studio, Dreamweaver , HTML, CSS

Other tools: MS Office package, Adobe Photoshop

- In-depth knowledge of QA testing procedures, testing cycles, and quality assurance testing

- Comprehensive knowledge of software quality assurance methodologies, multiple technical platforms, and web server environments

- Extensive knowledge of application development methodologies, quality assurance planning, and development techniques

- Well-versed in automated testing tools, information management, business application techniques, and product testing

- Familiar with SQL Query, programming language, Excel, and data management tools

- Attention to detail with excellent technical and troubleshooting skills

Training and Extra Curricular Activities

- Participation in Appathon competition organized by MIC Nepal.
- Volunteering Experience in Computer Association of Nepal InfoTech Nepal.
- Certificate of completion in Web designing from Nepdroid Academy.
- Awarded with the title of "Ms. CITE" IN College of Information Technology And Engineering
- Trained in Kumari Dance (Cultural Nepali Dance form) from Nepa Dance Academy.
